

MEET THE Z-FORCE

ZACK

Zack is a friendly, young boy. His powers come from helping people in his community. Whenever Zack helps a new person, he receives a new power and a badge to match! Zack is proud of his badges, and he wears them on his supersuit so that everyone can see.

He is the youngest & smallest of the Z-Force team, but he is also the strongest & the fastest!

His favourite meal is chicken nuggets with tomato ketchup dip, because they are small with a feisty kick - just like Zack!

ZOE

Zoe's grandma was a powerful, white witch who used her powers for good and Zoe inherited her magical cookbook! Zoe is the most creative member of the Z-Force, and she is able to conjure up lots of food-based magic to help her team.

Her powerful imagination is a huge asset when the team need

a plan to come together quickly, and she cannot wait to learn new things. Zoe often helps Zack when he stumbles with big words he doesn't understand.

She is the most confident member of the team and loves to plan important missions for the Z-Force!

ZEKE

Zeke is a little shy and the cleverest member of the Z-Force. He invents ingenious gadgets for the Z-Force to use in their fight against crime and injustice!

Sharing is important to Zeke, and he has a big heart. He shares his inventions with his team and with everyone he meets.

Zeke likes to make life easier for everyone, and he realized that even small acts of kindness can help a difficult situation.

He is the tallest member of the Z-Force, and his supersuit is covered in pockets to store all of his tools and gadgets!
